

PT. Distribusi Ammo Nusantara (Explosives Distribution)

President Director : Zulkarnain Sani

PT. Distribusi Ammo Nusantara, acquired in 2019, is one of only nine entities in Indonesia officially licensed to distribute commercial explosives. The company holds a specialized permit for Ammonium Nitrate-based materials, with an impressive annual distribution quota exceeding 80,000 tons.

Backed by a team of seasoned professionals with deep expertise in mining services, PT. Distribusi Ammo Nusantara places the highest priority on workplace safety and regulatory compliance across all operations.

The company manages a strategically located, 4-hectare explosives storage facility in Banjarbaru, South Kalimantan. This site features a primary warehouse capable of storing up to 3,000 tons of Ammonium Nitrate, alongside dedicated storage units for other explosive materials and accessories – ensuring secure, efficient, and compliant handling of all inventory.

PT. Siliwangi Sumber Makmur (Mining Services)

President Director : Raditya Wardhana

Established in 2015, PT. Siliwangi Sumber Makmur (SSM) is a leading mining services company in Indonesia, specializing in high-precision blasting and drilling operations. With a steadfast commitment to efficiency, safety, and operational excellence, SSM has earned a solid reputation as a trusted partner in supporting mining projects across diverse regions of the country.

Driven by an experienced leadership team and a workforce of highly skilled professionals, SSM continuously invests in innovation and best practices to elevate the quality and reliability of its on-site services.

This unwavering dedication to performance and client satisfaction has positioned PT. Siliwangi Sumber Makmur as a strategic partner of choice in the mining sector—building long-term, value-driven relationships with clients and stakeholders throughout the industry.

**Building The Future
of Indonesian Mining**

PT. Garuda Bakti Nusantara (Logistics Services)

President Director : Muhamad Indrian

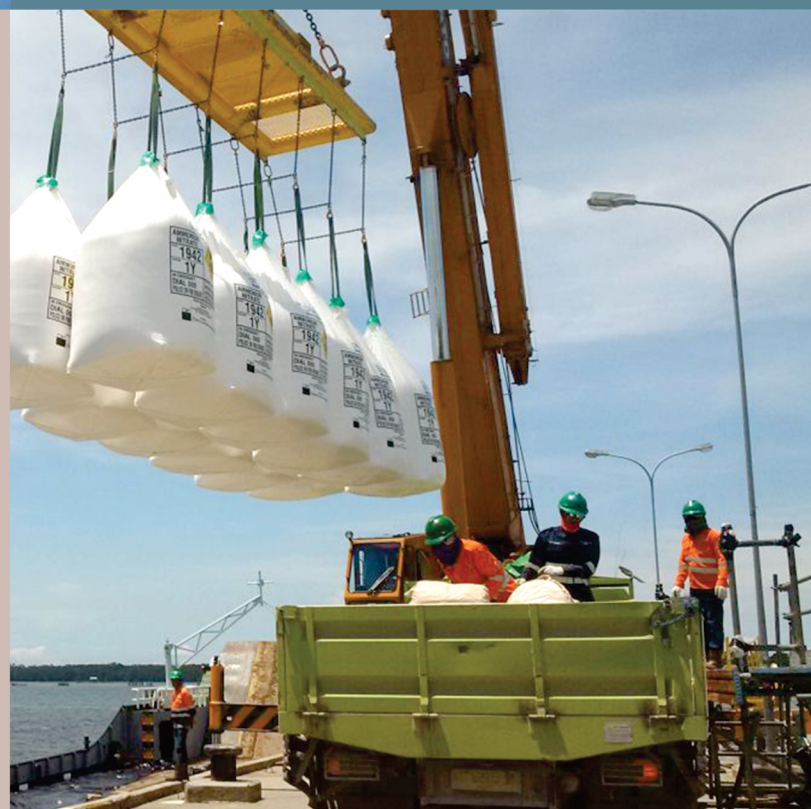

Since its establishment in 2010 PT. Garuda Bakti Nusantara (GBN) has grown into a trusted provider of integrated logistics services, delivering goods across the vast expanse of Indonesia.

With a wide-reaching network of reliable agents and shipping partners, PT. Garuda Bakti Nusantara (GBN) offers efficient and comprehensive logistics solutions tailored to the diverse needs of various industrial sectors.

Our commitment to professionalism is reflected in the implementation of strong operational management practices, a focus on service quality and dedication to customer satisfaction.

PT. Garuda Bakti Nusantara (GBN) also actively leverages advancements in information technology to enhance accuracy, transparency, and speed across all stages of the delivery process.

In every operational activity, PT. Garuda Bakti Nusantara (GBN) places Occupational Health, Safety, and Environmental (HSE) standards as a top priority. This ensures not only smooth and timely distribution but also the safety of our workforce and the sustainability of the environment throughout our operational areas.

PT. Nusantara Karya Raya Indonesia

Integrated Mining Solutions for Indonesia's Future

Since its establishment in 2018, PT. Nusantara Karya Raya Indonesia has rapidly evolved into a nationwide operating holding company, uniting a group of subsidiaries with proven expertise in mining services and general construction. Backed by deep industrial knowledge and a commitment to sustainable growth, we offer a full spectrum of end-to-end mining solutions—from exploration to production and commodity transportation—executed with efficiency and precision.

In an industry known for its high complexity and demanding nature, we believe safety is not merely a compliance standard, but the very foundation of operational excellence. Our strict implementation of Occupational Health, Safety, and Environmental (HSE) protocols ensures a secure working environment, reliable infrastructure, and full regulatory compliance across all operations.

Driven by synergy, innovation, and a visionary mindset, PT. Nusantara Karya Raya Indonesia stands as a strategic partner to the Indonesian mining sector—offering integrated, efficient, and sustainability-focused solutions that empower our partners while contributing to the nation's long-term economic resilience.

Our Vision

To become a leading investment company in Indonesia's mining services sector, championing integrated solutions, innovation, and tangible contributions to national industrial growth.

Our Mission

1. Prioritize Occupational Health & Safety

Implement world-class safety standards through rigorous training, advanced equipment, and full adherence to national and international mining regulations.

2. Deliver High-Quality Mining Services

Provide integrated, efficient services that support optimal mining operations and adhere to global best practices.

3. Leverage Advanced Technology

Incorporate the latest technological advancements to enhance productivity and operational efficiency across mining activities.

4. Foster Synergy Among Subsidiaries

Build a solid, complementary ecosystem by integrating the specialized services of each business unit under the PT. Nusantara Karya Raya Indonesia umbrella.

5. Support National Economic Growth

Drive strategic development in Indonesia's mining industry, create employment opportunities to drive national economic progress.

Our Commitment to Safety

Since our inception, safety has been ingrained into every facet of our operations. We firmly believe that safeguarding our workforce not only protects lives but ensures business continuity and productivity. Some of the safety programs that we regularly implement include:

- ◆ **Routine Safety Training**, including emergency drills and mandatory use of certified protective equipment (PPE).
- ◆ **Scheduled Equipment Inspection and Maintenance** to ensure optimal performance and prevent downtime or hazards.
- ◆ **Updated Emergency Response Procedures** tailored to field-specific risks.
- ◆ **Regular Safety Audits** to ensure full compliance with both national and international safety standards.

Through a proactive approach to safety, we maintain efficient operations that uphold the highest professional standards and are free from unnecessary work risks.

With our commitment to professionalism, safety, and efficiency, we are ready to become one of the leading players in nation-wide mining services.

PT. Nusantara Karya Raya Indonesia,
Synergy for Progress, Safety for Sustainability.

"When I first established this company, my vision was simple: to create an environment where innovation, collaboration, and value creation could flourish, benefiting all stakeholders and society at large.

The values that have guided our journey — **collaboration, agility, quality, and integrity** — remain at the core of everything we do."

Collaboration is the cornerstone of our success. We believe that the best solution emerge from strong partnerships—with clients, colleagues, and communities. Every challenge presents an opportunity to learn, and through collaboration, we achieve excellence.

In a fast-changing world, **agility** is essential. At PT. Nusantara Karya Raya Indonesia, we are proud of our ability to adapt — whether to market shifts or client feedback. We empower our teams to remain flexible, innovative, and forward-thinking.

Our **commitment to quality** is unwavering. We hold ourselves to the highest standards, knowing that trust is earned through consistent, solution-driven results. Our clients deserve nothing less than excellence.

Above all, integrity guides our every interaction. We build our reputation on doing what's right, not what's easy. Trough honesty, transparency and mutual respect, we foster strong relationships with clients, employees, and partners.

As we continue to grow and evolve, I am profoundly grateful for the talented and dedicated individuals who constitute our team. Their passion and commitment to these priciples have been instrumental in shaping PT. Nuskara Karya Raya Indonesia into the organizztion it is today.

Raditya Wardhana, President Director of PT. Nusantara Karya Raya Indonesia.
